LEGISLATION EASES RATIONS, TAXES; PROVIDES BONUSES

PEASANTS TO GET MORE RATIONED GOODS -- Tirana Bashkimi, 27 Jun 50

Government Order No 29 of 22 June 1950, in consideration of increased compulsory deliveries under the crop-purchase program and more favorable economic conditions in Albania, permits producing peasants to purchase certain necessities which cannot be secured in the necessary quantities on the basis of sale of surpluses on the reciprocal market. Under this order, producing peasants may buy the specified goods without delivering produce in exchange, as follows:

A maximum monthly quota of 0.3 kilogram of salt per person and 0.6 liter of kerosene per family shall be distributed to the productive peasantry, without exchange, from the salt and petroleum fund established under the rural plan.

Children of producing peasants, aged 6 months to 7 years inclusive, shall be entitled, in addition, to a maximum monthly quota of 0.2 kilogram of sugar or sugar products from the fund designated for this purpose.

Producing peasants who have fulfilled their planting and compulsory delivery plans and who apply agrotechnical principles and sell their surplus to cooperatives, shall be given preference in the assignment of maximum quotas of salt and kerosene.

Salt, kerosene, and sugar shall be distributed under the terms of this Order at reciprocal market prices.

This Order is effective as of the date of its publication in Bashkimi.

50X1-HUM

TO GIVE BONUSES FOR SURPASSING PLAN -- Tirana Bashkimi, 28 Jun 50

According to Government Order No 26 of 17 June 1950, managerial, technical, and administrative personnel in state economic enterprises and artisan cooperatives may be rewarded with bonuses for fulfilling or surpassing the plan and for lowering production costs, as follows:

In mining and petroleum enterprises, directors, chief engineers, and acting chief engineers may receive bonuses not to exceed 15 percent of their salary for 100-percent fulfillment of the plan and not to exceed 2 percent of their salary for each percent by which the plan is surpassed. In all other state enterprises and artisan cooperatives, such personnel may receive bonuses not to exceed 13 and 1.5 percent respectively.

In mining and petroleum enterprises, other managerial, technical, and administrative personnel may receive bonuses not to exceed 12 or 8 percent in one category, and 1.5 or 1 percent of their salary in the other category, depending on the grade of the personnel. In all other state enterprises and artisan cooperatives, such personnel may receive up to 10 or 7 percent in one category, and one percent of their salary in the other.

The total amount of bonuses that may be granted during any month to any employee for fulfilling and surpassing the plan shall not exceed his monthly base pay.

ARTISAN COOPERATIVES GET TAX EXEMPTION -- Tirana Bashkimi, 27 Jun 50

Tirana (Albanian Telegraphic Agency) -- According to Decision No 401 of the Council of Ministers of 15 June 1950, products of a local character of artisan cooperatives shall be exempt from the turnover tax, whether the products were made from raw materials furnished by state enterprises at guaranteed market prices or at cost, or whether they were made from raw materials purchased on the free market.

After 1 July 1950, the effective date of this Decision, such products shall be disposed of through state commercial enterprises and cooperative organizations, and turnover taxes that have been paid on the articles shall be returned. The cost shall be met by the state budget.

The state commercial enterprises and cooperative organizations shall draft a statement of the conditions for the turnover of the articles for which turnover taxes shall be returned.
